SUMMARY OF THE REASONS FOR DECISION:

Section 14 of the NZBR Act does apply to this publication and limitations on its availability must be reasonably justified. *Eva's in Love 3* presents explicit images of women engaged in sexual activity with other women for the benefit of a male readership. In terms of Section 3(3) of the Act, the Classification Office has given significant weighting to the extent and degree to which and the manner in which the magazine is consistently degrading, dehumanising and demeaning to women. The dominant effect is of graphic displays of women's vaginas. The manner of the magazine represents by implication that women are inferior to men. The availability of the magazine is likely to be injurious to the public good. It is therefore objectionable.
